2012 TOURNAMENT INFORMATION

The Minnesota Public Golf Association was formed to foster, promote and conserve the interest and true spirit of the game of golf in the State of Minnesota.

We offer affordable and convenient tournaments and events for the benefit of our membership.

We also assist with qualifying for the USGA Public Links Championship. We are a non-profit organization and all revenues from tournaments fund the tournament and the awards earned by its participants.

www.mpga.net

The membership of the association is composed of Minnesota and western Wisconsin golf club's Men's Clubs who wish to participate in competitive golf. These competitions take the form of State Tournaments and Match Play Championships. Our tournaments are open to members with various handicap levels from scratch to higher handicaps. The tournaments are held the third weekend of each month, May thru September.

A player may participate in the following tournaments by joining a men's club that is a current member of the MPGA and carries an up-to-date GHIN Handicap. There are approximately 80 member clubs in and around the Twin City area. Club membership dues are paid yearly to stay current.
